

Marshall HSIA

Policy Analyst, Enterprise and Industry Directorate-General

European Commission

Marshall Hsia is a policy analyst in the Enterprise and Industry Directorate-General at the European Commission in Brussels. He is currently based in the Economic Analysis and Impact Assessment Unit in the Directorate for Enterprise Competitiveness, Industry and Growth.

Within the Enterprise and Industry Directorate-General, Dr Hsia has worked in the fields of innovation and small business policy, most recently focusing on the international competitiveness of small and medium-sized enterprises, and has previously held positions in the Directorates-General for Research and Innovation, and Mobility and Transport.

Prior to joining the Commission, Dr Hsia spent several years employed in academic research, economic consultancy and industrial planning.
